Dear Ms. McCartney:

This is in response to your letter of August 14, 1988.

We did respond to your January 27th letter on February 10, 1988.

The Tonolli Corporation did buy nominal amounts of batteries from us. We sold them FOB our door and have no idea where their final destination was.

At this point we would not be interested in participating in the actions mentioned in your letter.

Sincerely,

UNITED ALLOYS & STEEL CORP.
